## This workshop will aim to achieve three important objectives:

1. To provide lectures on state-of-the-art knowledge and scientific inquiries by three prominent researchers:
  - Prof. Johnny C.L. Chan
  - Prof. David S. Nolan
  - Prof. Roger K. Smith
2. To create a forum for worldwide typhoon researchers, particularly the younger generation, to receive comments and feedback on their ideas and findings from the participants, including the aforementioned three distinguished researchers.
3. To introduce past and present activities of the TRC and to discuss its future plans.
