**Brief introduction of the applicant's current research related with typhoon and/or tropical cyclone.**

**Brief research plan at a TRC member's university in Japan.**

By applying the IWTRC 2024 travel support, if I pass the selection process (please check the boxes),

I understand the following:

- Round-trip airfare and accommodation will be arranged and covered by the TRC. In addition, a per diem to cover meals and local transportation costs after arriving in Japan will be paid during your stay in YNU.
- The content and amount of travel support cannot be added or changed after it has been confirmed.
- YNU will cancel my trip if my passport, visa, travel permission from my institution, and other required documents are not submitted to the TRC by the deadline. If I still wish to participate in the IWTRC, I will be responsible for making new travel arrangements at my own expense.
- I will be required to participate in events for students and early career scientists during the IWTRC.

I agree to the following:

- I will become an International Member of the TRC: <https://trc.ynu.ac.jp/TIMen.html>
- I will submit a report after the IWTRC ends. The report will be published on the TRC website with my name and photo.
- I will submit the Pledge and Confirmation Letter regarding the national security export control: <https://www.ripo.ynu.ac.jp/en/about/national-security-export-control/>
